March 25-07

Dear Roscoe,

Yours in answer to
my Post-Card, received, your letter
in answer to my last was
one month old when we received
it & your mother was anxious
about you as well as some of
the rest of us.

The health of the community is
improved with the nice weather
It has been nice & balmy for
several days & the grass is growing
up, cattle don't eat much, &
Lamb & calves are making
their appearance
but that won't interest you
much.

Pat McNulty has moved to his new
farm on "the Creek". it has been
reported that Lee Gunn, "is off," as
Peter calls it - & Harper too, so Pat
says & they blame ~~him~~ for it:
it is bad enough,

Adams & Eva spent Sunday with
us, I'll enclose you ok.

Janet said you had some eyes
I hope it will not interfere with
your work, write us at once
& how you are progressing.

your father
C. A. S.
