Dear Roseon, you come by the

Hot & Holmes will meet you  
Sat, I've just written Geo to come  
Friday with Billies Girls & they  
will bring him up on the River  
if you can come up then

Friday let us know & we will  
meet you, & if you get there

& no one there ~~John~~ John  
to send for you & Holmes  
will pick you up some where  
on the road. Now news, Homer  
did not seem to want to communicate  
any thing about his trip.

I think he said he was at  
Lynchburg, I am glad the

Ball Season is over & hope it  
will never come again,

if any thing changes this program  
we will let you know, some snow  
on the ground & cold. Judging all  
around now. Looks like winter.

Love up well your father
